

Direct Debit Information 2023

Parents are invited to pay their Fee Statement by Direct Debit. The Direct Debit arrangement may remain in place for the duration of your family's association with the College. As such, you are only required to complete this form once.

Your Direct Debit deduction amount will be automatically adjusted at the beginning of each year to reflect the current fee schedule. You will receive notification of this adjustment towards the end of the preceding school year. The Direct Debit amount is an estimate, intended to fully clear your fee statement by 21 November annually.

Direct debit payments are processed on a fortnightly basis from your nominated bank account or credit card. In 2023, they commence on Tuesday, 31 January and will conclude when your account reaches a nil balance. Please ensure this occurs prior to Tuesday, 21 November 2023.
