

## CODE OF CONDUCT - COLLEGE COMMUNITY

### PURPOSE

The purpose of this Code of Conduct is to outline the expected standards of behaviour for all stakeholders involved at Matthew Flinders Anglican College (the College) or with Flinders Club Sports (the Club) and to provide members of the College Community with guidelines for the effective development of positive relationships within the College Community.

### SCOPE

For the purpose of this Code of Conduct, 'College Community' comprises coaches, parents, guardians, step-parents, relatives, friends, supporters, carers and guests who attend the College, or elsewhere, for the purposes of visiting, viewing, participating, supporting or being present for any official, sporting or social activity held by, or for the benefit of, the College and its students. It includes all people involved in activities relating to Flinders Club Sports.

All members of the College community have the right to be, and feel, safe in the College community. With this right comes the responsibility to be law-abiding citizens and to be accountable for actions that intimidate or put at risk the safety of others or oneself. This includes behaviour that may be considered anti-social.

This Code specifies the consequences for any member of the College Community who does not comply with those standards of behaviour, whether those persons are on the College's property, in transit or at another location for the purpose of any College-authorized events or activities.

Whilst guardians, step-parents, relatives, friends, supporters and carers of students at the College may not be a party to the College's Enrolment Agreement, this Code of Conduct - College Community is a guide for them about expected standards of behaviour.

### CODE OF CONDUCT

The following are the principles, which provide the framework for this Code of Conduct:

Parents play an important role in the education of their children and have a responsibility to support the efforts of College staff in maintaining a safe and respectful learning environment for all students. Parents fulfil this responsibility when they:
