All enrolments are considered in accordance with this Policy and in accordance with the College's *Anti-Discrimination Policy – Students* and *College Community: Code of Conduct Policy*.

The College cohort comprises mainly local students and a minority of Full-Fee Paying and Temporary Visa Students. While the College has an open admissions platform with no compulsory entrance examination, the College retains the discretion to test prospective students on receipt of an Application for Registration to identify their scholastic needs and correct entry year level.

As per the Enrolment Agreement, students/parents must comply with the relevant conditions outlined to be eligible for admission to the College and/or to continue enrolment as students at the College.

The College expects students to participate in the College's academic program and align themselves with College values, policies, philosophical aims, rules and regulations.

The College also expects students to participate in compulsory activities within the College and contribute to the extra-curricular program.

1. Enrolment Procedures

1.1. Entry Points

Current entry points into the Primary School are in the Preparatory Year, Year 3 and Year 5. Students are admitted into other year levels in the Primary School as places become available. 1.2. Applications for Enrolment

Upon receipt of the completed Application for Registration, with any other additional information that the College may require annexed, and the \$220 (including GST) per student non-refundable Registration Fee, the student's name will be added to the College's waiting pool. An acknowledgement letter will be sent to parents confirming this process.

During the application process, parents will be requested to provide the College with a copy of the student's most recent school report and NAPLAN results, if applicable. Additional reports may be requested, as required.

After an Application for Registration is placed in the waiting pool, certain priority considerations may be taken into account including:

Parents will provide the College with all information regarding the student including all academic information, school reports (if any), Family Court Orders, Domestic Violence Orders, medical reports and any other relevant reports regarding the student, or as may be requested by the College, prior to interview.

In order for the College to make informed decisions about a student's educational and personal needs, parents must disclose to the College any disability and/or diagnosis and provide reports from educational and medical professionals. Offers of enrolment at the College and confirmation of Preparatory enrolment will be made to successful prospective students within two (2) weeks of their interview. The offer of enrolment will include the provisions of an Enrolment Agreement, which the parents and the College are required to sign.

Parents are required to accept offers of enrolment at the College within two (2) weeks of the date of the offer unless special arrangements have previously been made with the Head of Admissions. Offers may be withdrawn by the College after this period if acceptance has not been received.

A non-refundable Confirmation Fee of \$880 must be paid at the time of the acceptance of offer. This Confirmation Fee reserves the student's enrolment at the College and acknowledges that the College has committed resources for this confirmed placement.

The Principal's decision regarding offers of enrolment are final and there is no review process for this.

- will hold the signing parent solely liable and responsible for the payment of tuition fees and other charges of the College.
- may assert contractual rights against only the signing parent.
- may acknowledge the contractual rights of only the signing parent.

In the absence of a Court Order, or unless otherwise agreed with the Head of Admissions on the enrolment of the student, parents/guardians of a student are each jointly and severally liable for the student's tuition fees and any other costs associated with the student's attendance.

When the Parents sign the Enrolment Agreement they are accepting and agreeing to the terms and conditions of enrolment.

Further to the general enrolment procedures outlined above, in relation to Preparatory students:

- the College will reserve a place for a Preparatory student subject to an interview, with offers confirmed in writing;
- a Conditional Offer Acceptance Fee of \$880 will be requested at the time of Conditional Offer acceptance. The non-refundable Conditional Offer Fee becomes the non-refundable Confirmation Fee upon confirmation of enrolment after interview; and
