Year 9 Subject Selection 2023

All students will study English, Mathematics, Science, Humanities, HPE, and RAVE. These will be automatically added to your timetable.

You are required to nominate three (3) Fusion Courses and seven (7) Specialist Elective Subjects to study in 2023. When making your selections, please consider:

- Fusion Courses or Specialist Electives must include a minimum of one each from the Arts (A) and Technologies (T) subject.
- Students electing to study a Language must do so for the full year, unless otherwise negotiated with the Head of Curriculum.

Details of the available elective options can be found in the Middle School Curriculum Handbook 2023.

Important! If a subject is important for you, then place it higher on your list of preferences than any less important subjects.

Preference Group 1: Fusion Courses. Select three options from this group using the numbers 1, 2 and 3 with '1' being your highest priority and '2' and '3' being your reserve choices.
